The ultimate value in office seating

quality

M officemaster

patriot value with more flexibility

A superior task chair, the market-proven Patriot puts all the flexibility you need right at your fingertips. With a light push, the back height adjustment conforms to your personalized, lower-back comfort. The spring-loaded seat slides to fit users of different sizes. Perfect for customer service reps, facility managers and others in multi-user work places. Made in three sizes and with a fabric back option, it is sure to fit perfectly.
