

VERSATILE SOLUTION FOR MOUSE INTENSIVE APPLICATIONS

The Revo System features a versatile Mouse-Over platform designed for use in mouse intensive or limited reach applications and is a good solution for straight or corner workspace applications.

The Revo System includes our Pinnacle 2 keyboard arm with maintenance-free 17" or 22" ball bearing track. The platform is constructed from durable ultra-thin phenolic and features a built-in document holder and cable manager.

The Revo platform comes with a Lifetime Warranty and will provide years of reliable, maintenance-free performance and reliability.

Quickly reposition the mouse platform for left or right handed users, without tools.

Independent mouse platform tilt keeps the mouse platform flat even if your keyboard is at an angle.
