

BRETFORD BASICS™

MOBILE PRESENTATION LECTERN

LECT2 MOBILE LECTERN

FEATURES

- Large lectern platform rests at a 12-1/2° angle and features a 1/2" front retainer lip to hold materials or a laptop computer in place.
- Three interior shelves will hold equipment or presentation materials.
- Grommet holes are included for management of computer or microphone cords. Optional 4 outlet electrical unit (CFPS) can be attached to pre-drilled holes and features surge protection, on/off switch and a 20' power cord.
- Durable steel construction with 1" laminate lectern platform finished in your choice of nine color choices.
- Constructed from "prime" steel which has a 25% to 35% post-consumer recycled content.
- 2" twin wheel designer casters for mobility, two with locking brakes.

COLOR/FINISH

Available in nine standard finish options from Bretford.
