My Treasure Box

"Adding Serenity to Your Space"

Why didn't someone think of this before?? We all desire to personalize our workspace... but so often the end result resembles a "train wreck." No longer!!

Combining our universal desire to personalize and feel organized, "My Treasure Box" utilizes unused desk space for treasured images, ingenious storage and the option of botanical pleasures. So very cool!!

Ideal for almost any setting, My Treasure Box includes a starter kit of soil and seeds. But... use your creativity... potpourri, storage, transplants of your own plants... the sky is the limit. Enjoy!

Hidden Storage

Specifications:

- ◆ Stock number VUR 9292 - Graphite
- ◆ Creative display of treasured images
- ◆ Hidden and Visible storage for life's essentials
- ◆ Soil and Seeds for Botanical Pleasures
- ◆ Unlimited creative possibilities
